MEMORANDUM FOR: Chief, Joint Publications Research Service

FROM:

Director, Foreign Broadcast Information Service

STAT

SUBJECT: Commendation for the JPRS Print Shop

1. I note with admiration that during September the JPRS Print Shop exceeded 5 million impressions, a new record. This is a reflection of both an increase in material being processed and a rise in the number of subscriptions to JPRS reports. Both factors underline the high regard in which the JPRS product is held and the importance of the work done by your Print Shop.

2. Even more remarkable is the fact that the past year's substantial increase in the printing load has been accomplished without any increase in staff. The conclusion is clear that your employees have performed exceedingly well.

3. Please pass on to all of them my personal commendation for their exceptional performance and assure them that their dedication and hard work have not gone unnoticed. Please arrange to have a copy of this memorandum placed in the file of each employee involved.
